Docket 07- 0375

PETITION

Mt. Carmel Public Utility Co. ("Mt. Carmel" or the "Company") by Eric Bramlet, of the law firm of Koger & Bramlet, P.C., attorney for the Company, does hereby petition the Illinois Commerce Commission ("Commission") that it be permitted, pursuant to the provisions of Section 9-201 of the Illinois Public Utilities Act (220 ILCS 5/9-201), to put in force and effect, less than forty-five days after the filing with the Commission, the attached:

Purchased Gas Adjustment Clause
Gas Charge Schedules for Service Rendered
in the month of July 2007

Pursuant to Ill. C. C. No. 6, 5th Revised Sheet No. 6, the Company is required to provide PGA Gas Charge Schedules postmarked by the twentieth day of the filing month. The Company inadvertently missed its intended filing deadline of Wednesday, June 20, 2007, with its July, 2007 PGA Gas Charge Schedules. The mailing was made on or about Thursday, June 21, 2007. All of the information contained within those schedules mailed was correct. However, because of the late mail date error, filing of the PGA Gas Charge Schedules has been denied by the Commission.

Due to the inadvertent error, and the discovery by Company of such, and due to the resulting refusal of the Commission to file those schedules, the Company is now unable to file fully correct

PGA Gas Charge Schedules to be effective for the month of July, 2007, absent special permission of this Commission.

The Company respectfully requests that the Commission enter an order granting special permission to file the attached Gas Charge Schedules for Service Rendered in the month of July, 2007, effective July 1, 2007, or as soon as possible thereafter.

DATED: June 22, 2007.

Respectfully submitted,

MT. CARMEL PUBLIC UTILITY CO.
